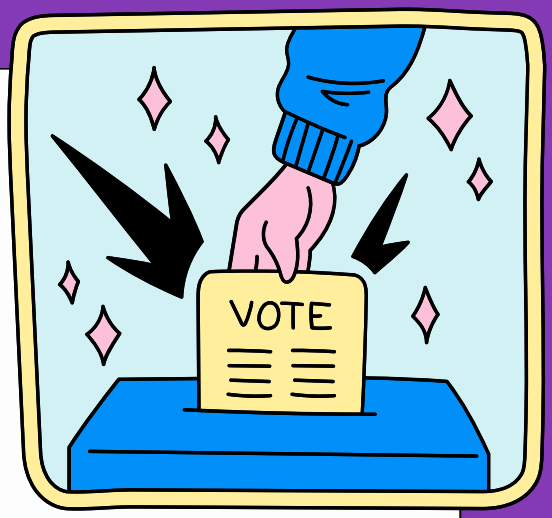
PROS & CONS OF VOTING IN PERSON

Voting in person takes place on Tuesday, November 3rd. Some vote centers open for early in-person voting on October 24th. Find out where to vote in person near you: www.sos.ca.gov/elections/polling-place



ASSISTANCE:

Get real time help from staff on site who are trained in helping you complete your ballot.

CONVENIENCE:

May be able to vote through your college campus, a community building, etc.

PEACE OF MIND:

You don't have to worry about your ballot getting lost in the mail.

INCONVENIENCE:

Can be time consuming and impact your work/school day since voting centers are open during work/school hours.

SPACE, FUNDING, & STAFFING:

Limits the amount of in-person voting locations in your area and makes them less convenient to access.
